# Curriculum Expirations

Expiration dates highlighted in yellow will expire in 2023. Expiration dates highlighted in orange will expire in 2024.

Per NCCER's craft expiration policy, when a new edition of a curriculum is published, the previous edition of that title expires three years after the final level of the newest edition is released.

Title	Language	Edition	Level	Release Date	Expiration Date	Status	Comments
Welding	English	6	1	2022	---	Active	
Welding	English	5	1	2015	---	Active	
Welding	English	5	2	2015	---	Active	
Welding	English	5	3	2016	---	Active	
Welding - Advanced Topics: Aluminum	English	5	4	2016	---	Active	
Welding	English	4	1	2009	6/30/2021	Expired	
Welding	English	4	2	2009	6/30/2021	Expired	
Welding	English	4	3	2010	6/30/2021	Expired
